Dear Sir or Madam,

Thank you for your gift of \$56,123.13 on 08/27/2015 to Wounded Warrior Project® (WWP). For many warriors the battle continues long after they return from war. Through your gift WWP will provide much-needed programs and services to warriors and their families free of charge. These unique and direct programs positively change and save lives every day.

As WWP commemorates a decade of service, we reflect on the invaluable support we've received throughout the years. What began as a small operation delivering backpacks to Wounded Warriors has grown into 20 programs and services serving over 50,000 WWP Alumni and their families.

WWP assists our warriors throughout their healing process with programs focused on engagement, nurturing their minds and bodies and encouraging economic empowerment. Furthermore, your support enables WWP to pursue our vision of fostering the most successful, well-adjusted generation of wounded service members in our nation's history.

Thank you for affording us the opportunity to further our mission of honoring and empowering Wounded Warriors.

Sincerely,

Adam Silva
Chief Development Officer
Wounded Warrior Project
